

Let's Get Ready to BIBLE BOWL!!

It's time to dig deeper in our Bible as we prepare for the Christian Retreat in Hot Spring, AR. This has not only been one of the highlights for our Youth, but many of the adults thoroughly enjoy the competition of challenging our Bible knowledge. The 2019 Bible Bowl questions will come from the book of

REVELATIONS

Last year the Bible Bowl competition was very tough, and I expect more of the same this year. There will be many coming back to redeem themselves and others coming back to retain their legacy. Either way, I'm sure we'll be in for an enjoyable time in the Lord.

The same questions will be randomly selected, but not duplicated during the competition. The questions will be emailed out this coming Saturday, so all groups will have a month of study time to prepare.

Due to the outstanding memory work of our past participants, we have raised the level of difficulty of the Bible Bowl study material. No answers have been provided this year and all "True or False" questions that are answered as "**False**" will require an **explanation**. **Each team must register prior to the retreat**. Each team will be able to update the participating names and the name of their coach(s) during registration. Substitutions are allowed, but there will be no additional names allowed. Each team will identify their Team Captain during registration. The age range is 18 and under. We must limit the team to **only 15 participants**.

Scoring

During competition each question is worth **10 points**. Each team will have **20 seconds** to discuss and answer the question. Only the Team Captain can give the answer. If a team is unable to answer the question within the timeframe, the next team will have an opportunity to answer the question to gain the points. If someone other than the Team Captain gives the answer **10 points will be deducted from the team's score**. The Team Captain can give the answer at any time during the reading of the question. The teams cannot receive any assistance from their Coach nor the audience during the round.

Elimination

The teams will be randomly selected using a Random Number Generator to determine the order of competition. The number of registered teams will determine the number of rounds and how many questions will be asked. There will be 2 teams per round. Total number of points will determine the winner in each round. In the event of a tie, there will be a **best 2 of out 3-question playoff**. The 3rd question will be a **Dichotomy Decision Conundrum** (to be explained at the Bible Bowl) by a coin toss. There will be **1st, 2nd, and 3rd place** awards presented.
